## APPROVED PRODUCTS

*All prototypes required by the market are designed by the engineering office in Genova and certified at the RINA laboratory according to specific regulations.*

*Production unit in Gorizia manufactures all products according to approved prototypes and calls the inspection to get a certificate for every production lot.*

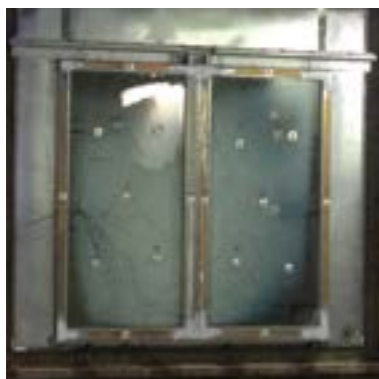

*Type approvals refer both to products and finishing cycles.*

## PRODOTTI OMOLOGATI

Lo studio di ingegneria progetta i prototipi richiesti dal mercato e li certifica presso il laboratorio RINA di Genova secondo le normative a specifica.

La produzione realizza su commessa i prodotti conformi a tali certificati che vengono verificati dagli ispettori preposti per ogni singolo lotto di produzione.

Le omologazioni interessano prodotti e cicli di finitura superficiale.

*BLU DOORS - MED certified technical doors and windows*  
BLU DOORS - Porte e vetrate tecniche certificate MED RINA in classe A e B

*BLU PLASTER - MED certified plaster for the construction of decorative plasterwork, panels and domes.*  
BLU PLASTER - Gesso certificato MED RINA per la realizzazione di stucchi decorativi, pannelli e cupole

*BLU FLOOR - Ultralight structural floor system for yachts.*  
BLU FLOOR - Paiolato strutturale ultraleggero per yachts

*BLU COLOR - MED certified decoration for metal sheets.*  
BLU COLOR - Sublimazione 3D su metallo (BLU COLOR®) e sublimazione in piano su lamiera pre-rivestita post-formabile a freddo (BLU COLOR 2®) certificate MED RINA

*BLU PAINT - MED certified painting system.*  
BLU PAINT - Sistema di verniciatura a liquido certificato MED RINA

*Further RINA tests are in progress. We therefore advise you to contact our sales department for a full list of Blu Bud certificates.*

Ogni anno vengono programmati test distruttivi su nuovi prototipi. Sugeriamo quindi di contattare il ns. ufficio commerciale per avere una lista aggiornata dei certificati Blu Bud.
