

SHIPS & YACHTS

SHIPS & YACHTS

ABOUT

ENGINEERING, PRODUCTION & SERVICES

Blu Bud is a limited company established in 2008 with registered office in Genoa (Italy).

Company mission is to design and produce MED certified fire resistant doors and windows for the interior outfitting of cruise ships and mega yachts as well as to provide “turn-key” renovation services for civil construction.

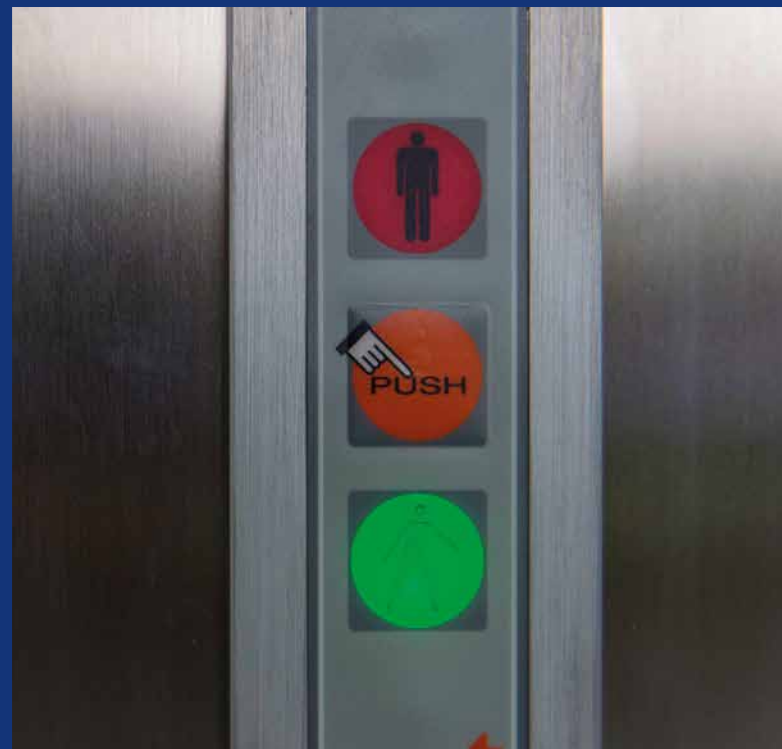

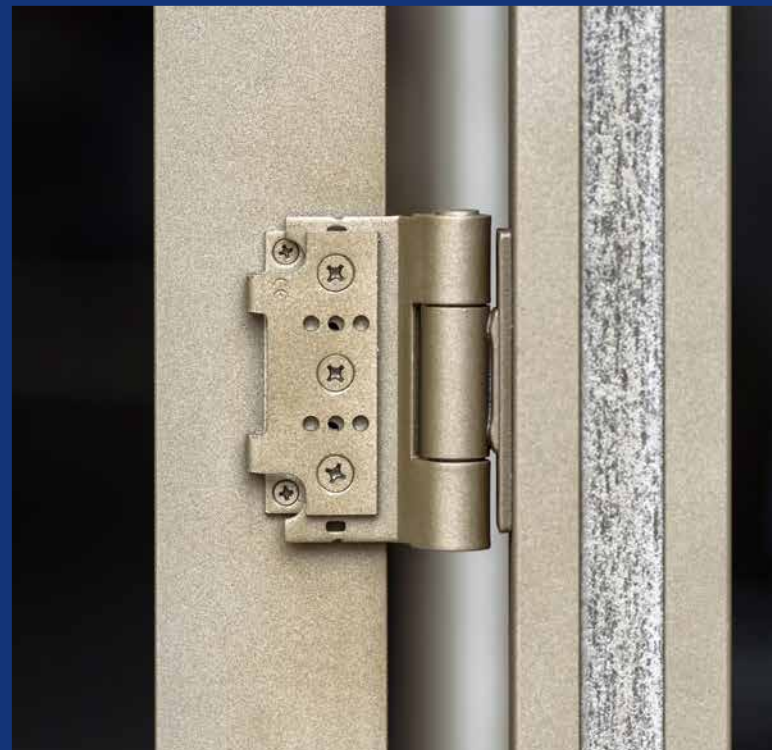

PRODUCTS

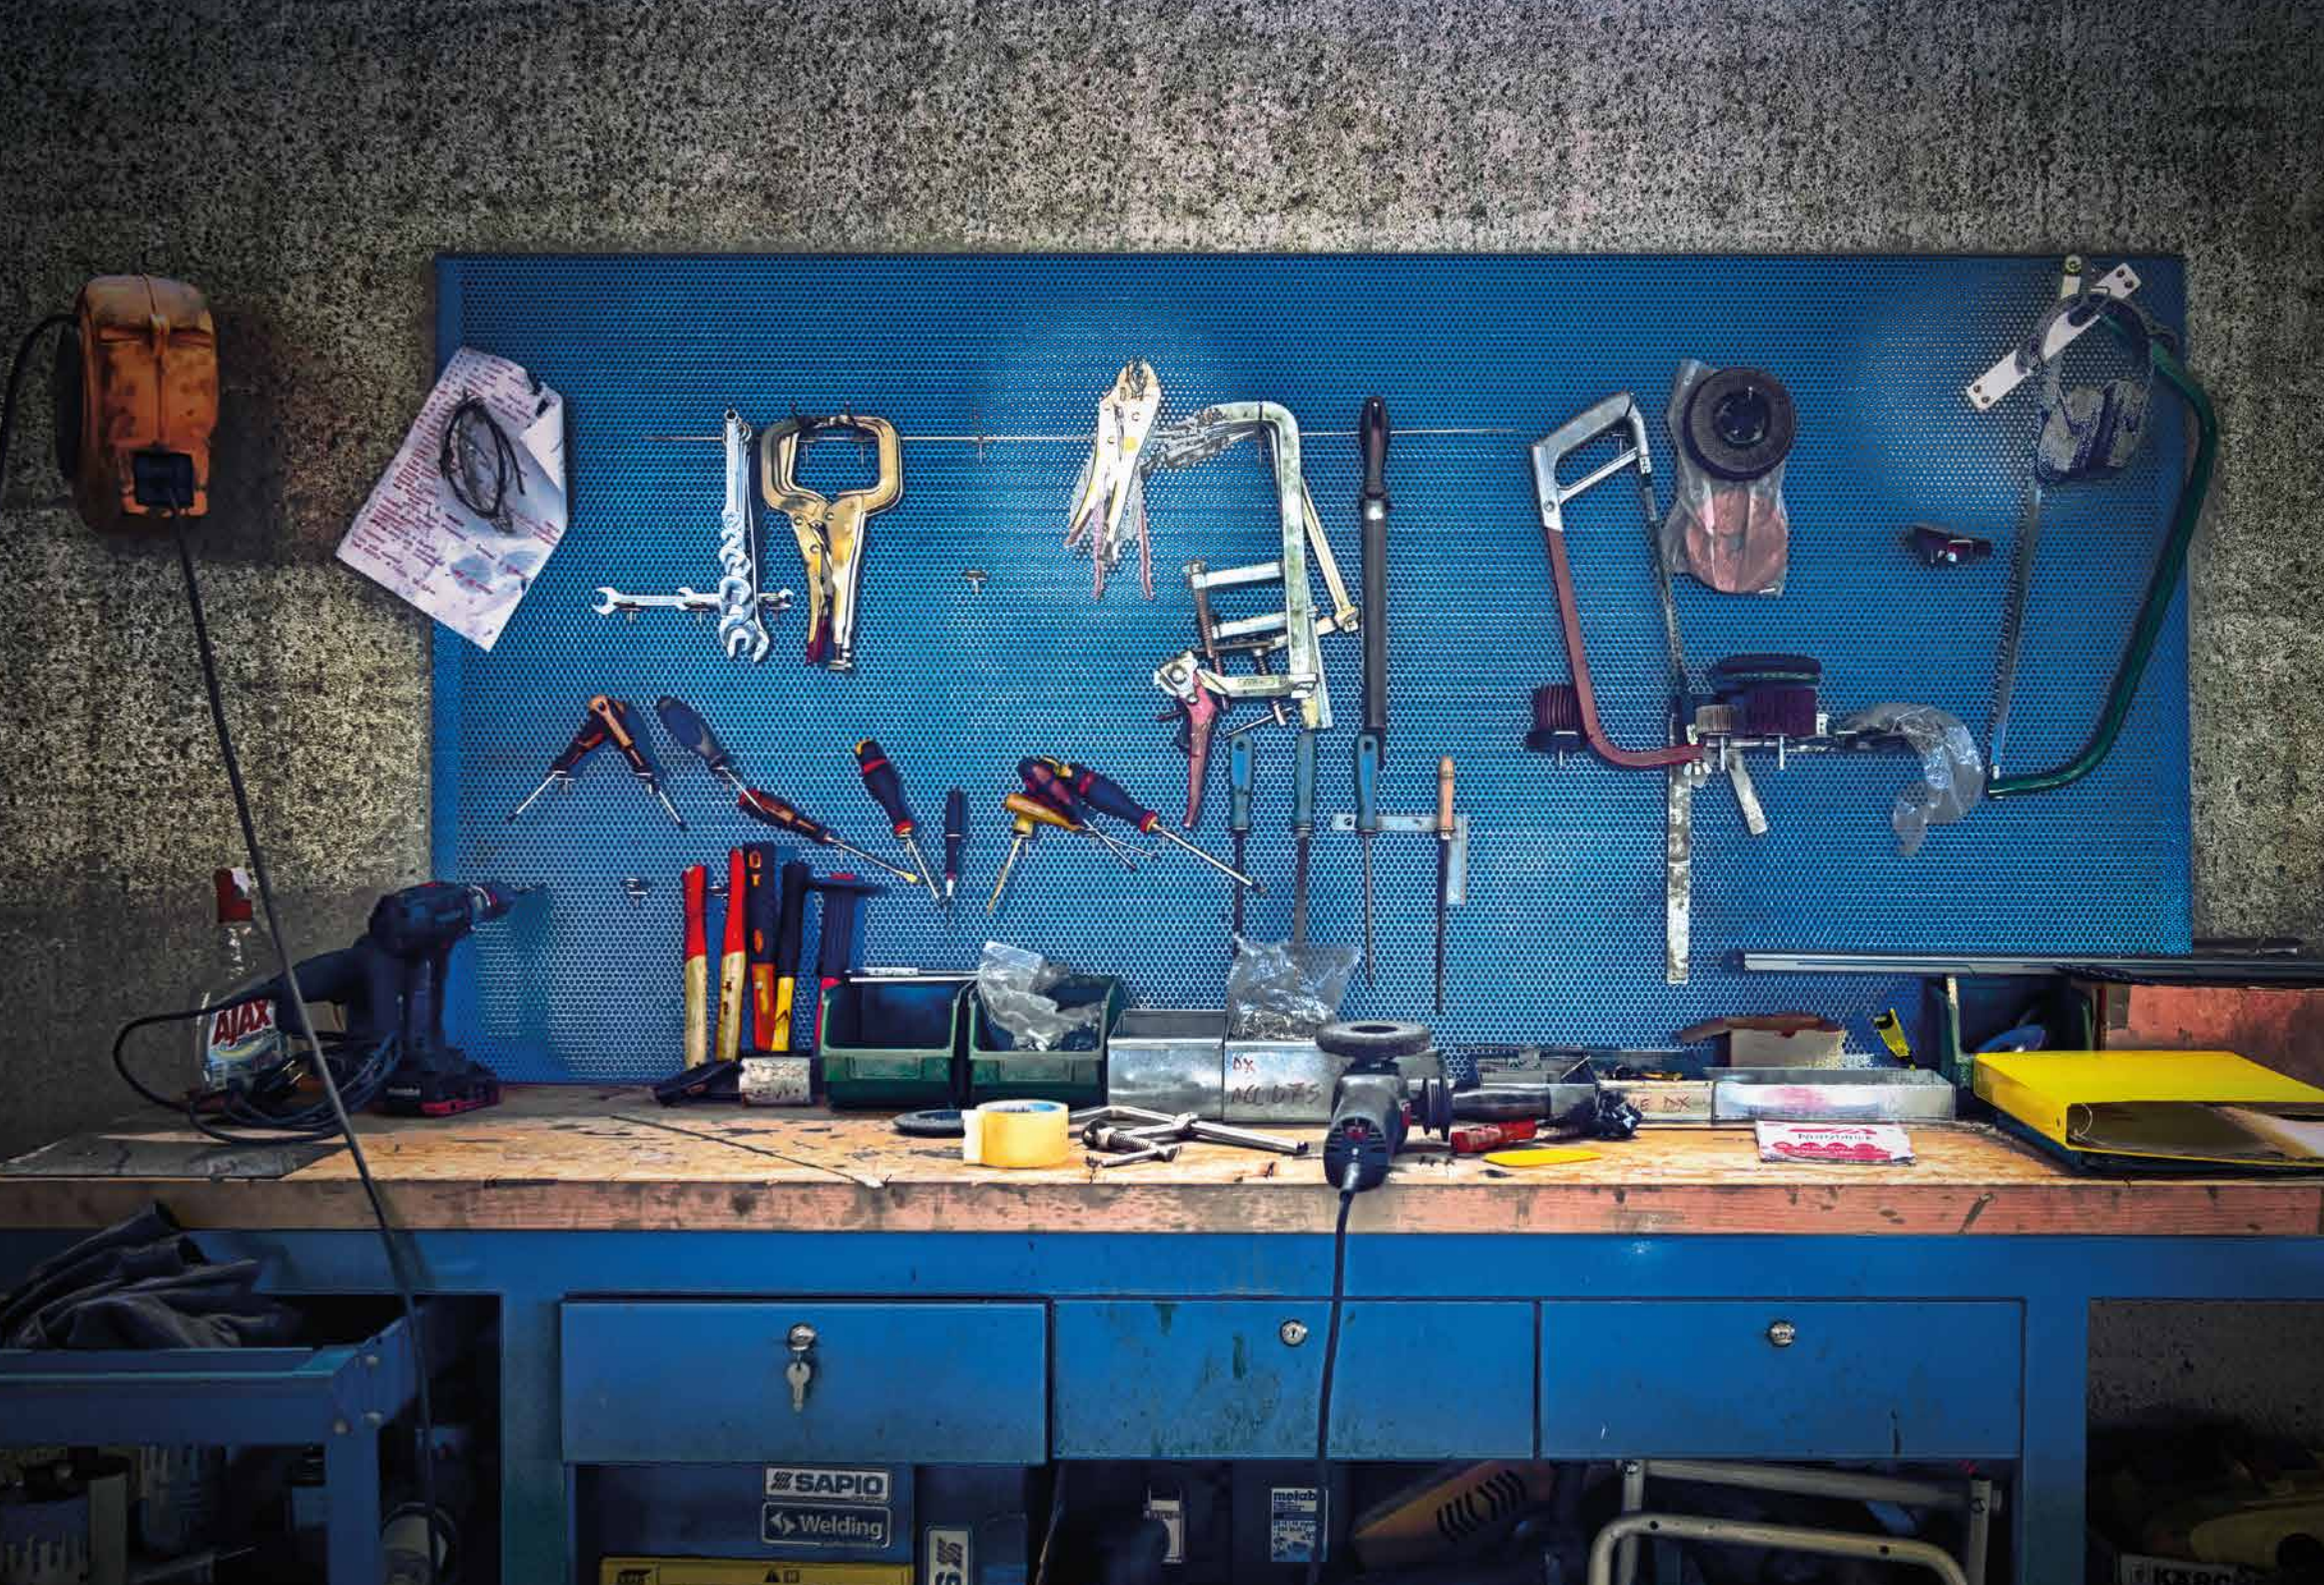

FULL RANGE OF PRODUCTS FOR CONTRACT

We provide custom solutions for the most demanding customers. All our products are manufactured to satisfy the requests of designers in compliance with current regulations.

We are expertise in the supply of custom made fire doors and windows for the public areas of cruise ships and the luxurious interiors of mega yachts:

- **A & B CLASS DOORS**
 - Blind hinged single and double leaves
 - Blind sliding single and double leaves
 - Glazed hinged single and double leaves
 - Glazed sliding single and double leaves
- **A & B CLASS WINDOWS**
- **A CLASS ROLLING SHUTTERS**

SERVICES

"TURN-KEY" FORMULA

Full services from custom design to installation of products and systems.

In addition to the production of fire doors and windows, we offer following high added value services:

- Mechanical installation, electrical cabling and commissioning of automatic doors. including after-sales maintenance services for ships cruising in Caribbean Seas and Far East (China) area.
- Design and production of custom made metal ceilings for public areas of cruise ships from first on-board survey to final onboard installation.
- Supply of spare parts for doors and ceilings (including custom made parts).
- Full repair or replacement of products (including custom made parts) for the interiors of ships cruising in the Far East (China) area including first technical surveys.

QUALITY

TESTING & CERTIFICATIONS

All Blu Bud products were tested and certified by RINA according to the Fire Protection requirement of MED 97/98/EC (Marine Equipment Directive) as modified by Directive 2013/52/EU.
